COACHES' CORNER BY Jason Horner

What a year for the Mandan Braves! Our team won its first state championship since 1981, and won its first WDA tournament championship and regular season championship in school history. We landed three players on the all-state team: Bryan Kielpinski (1st), and Jordan Maurer and Jordan Thilmony (2nd).

Bryan, Jordan and Jordan were also named to WDA All-Conference, WDA All-Tournament team, and All-State team, where Bryan was named the state tournament MVP. Jordan and Jordan will also be playing on the Lions' team this summer.

Thanks to everyone for supporting the kids all year, we really appreciated it! Summer work is starting soon with camps, leagues and team camps. Hopefully the kids will continue working hard so we can have more moments like this year. It definitely doesn't happen by accident. It happens because of a lot of hard work and dedication. Ask any of the guys though, and I think they'll tell you it's worth it.
